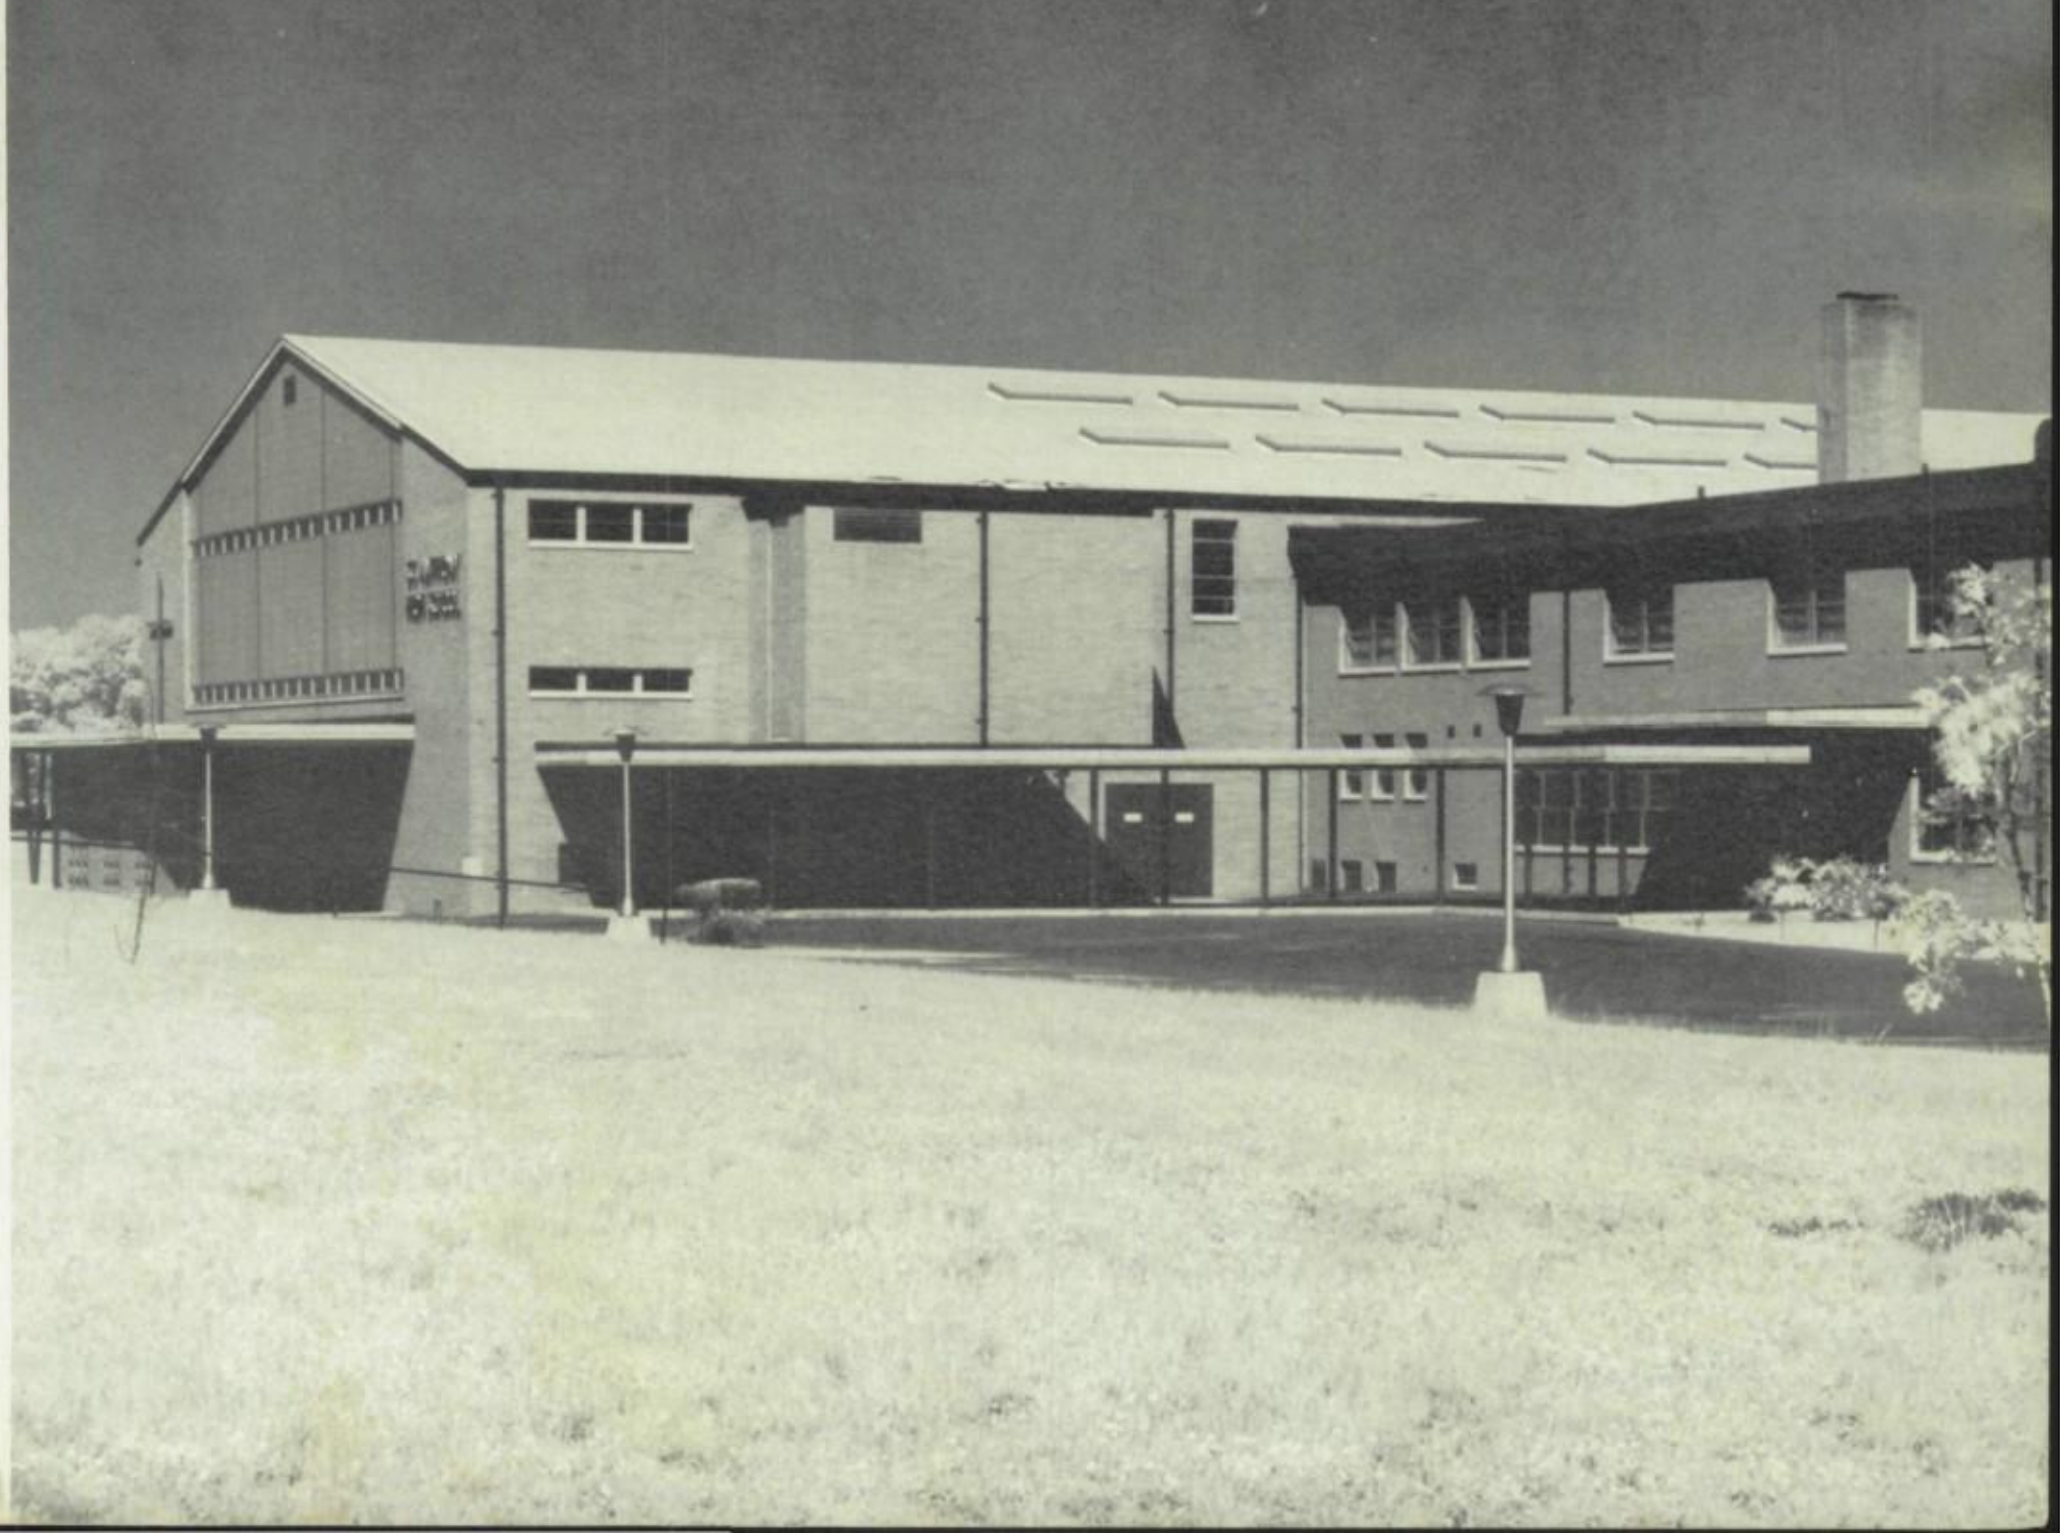
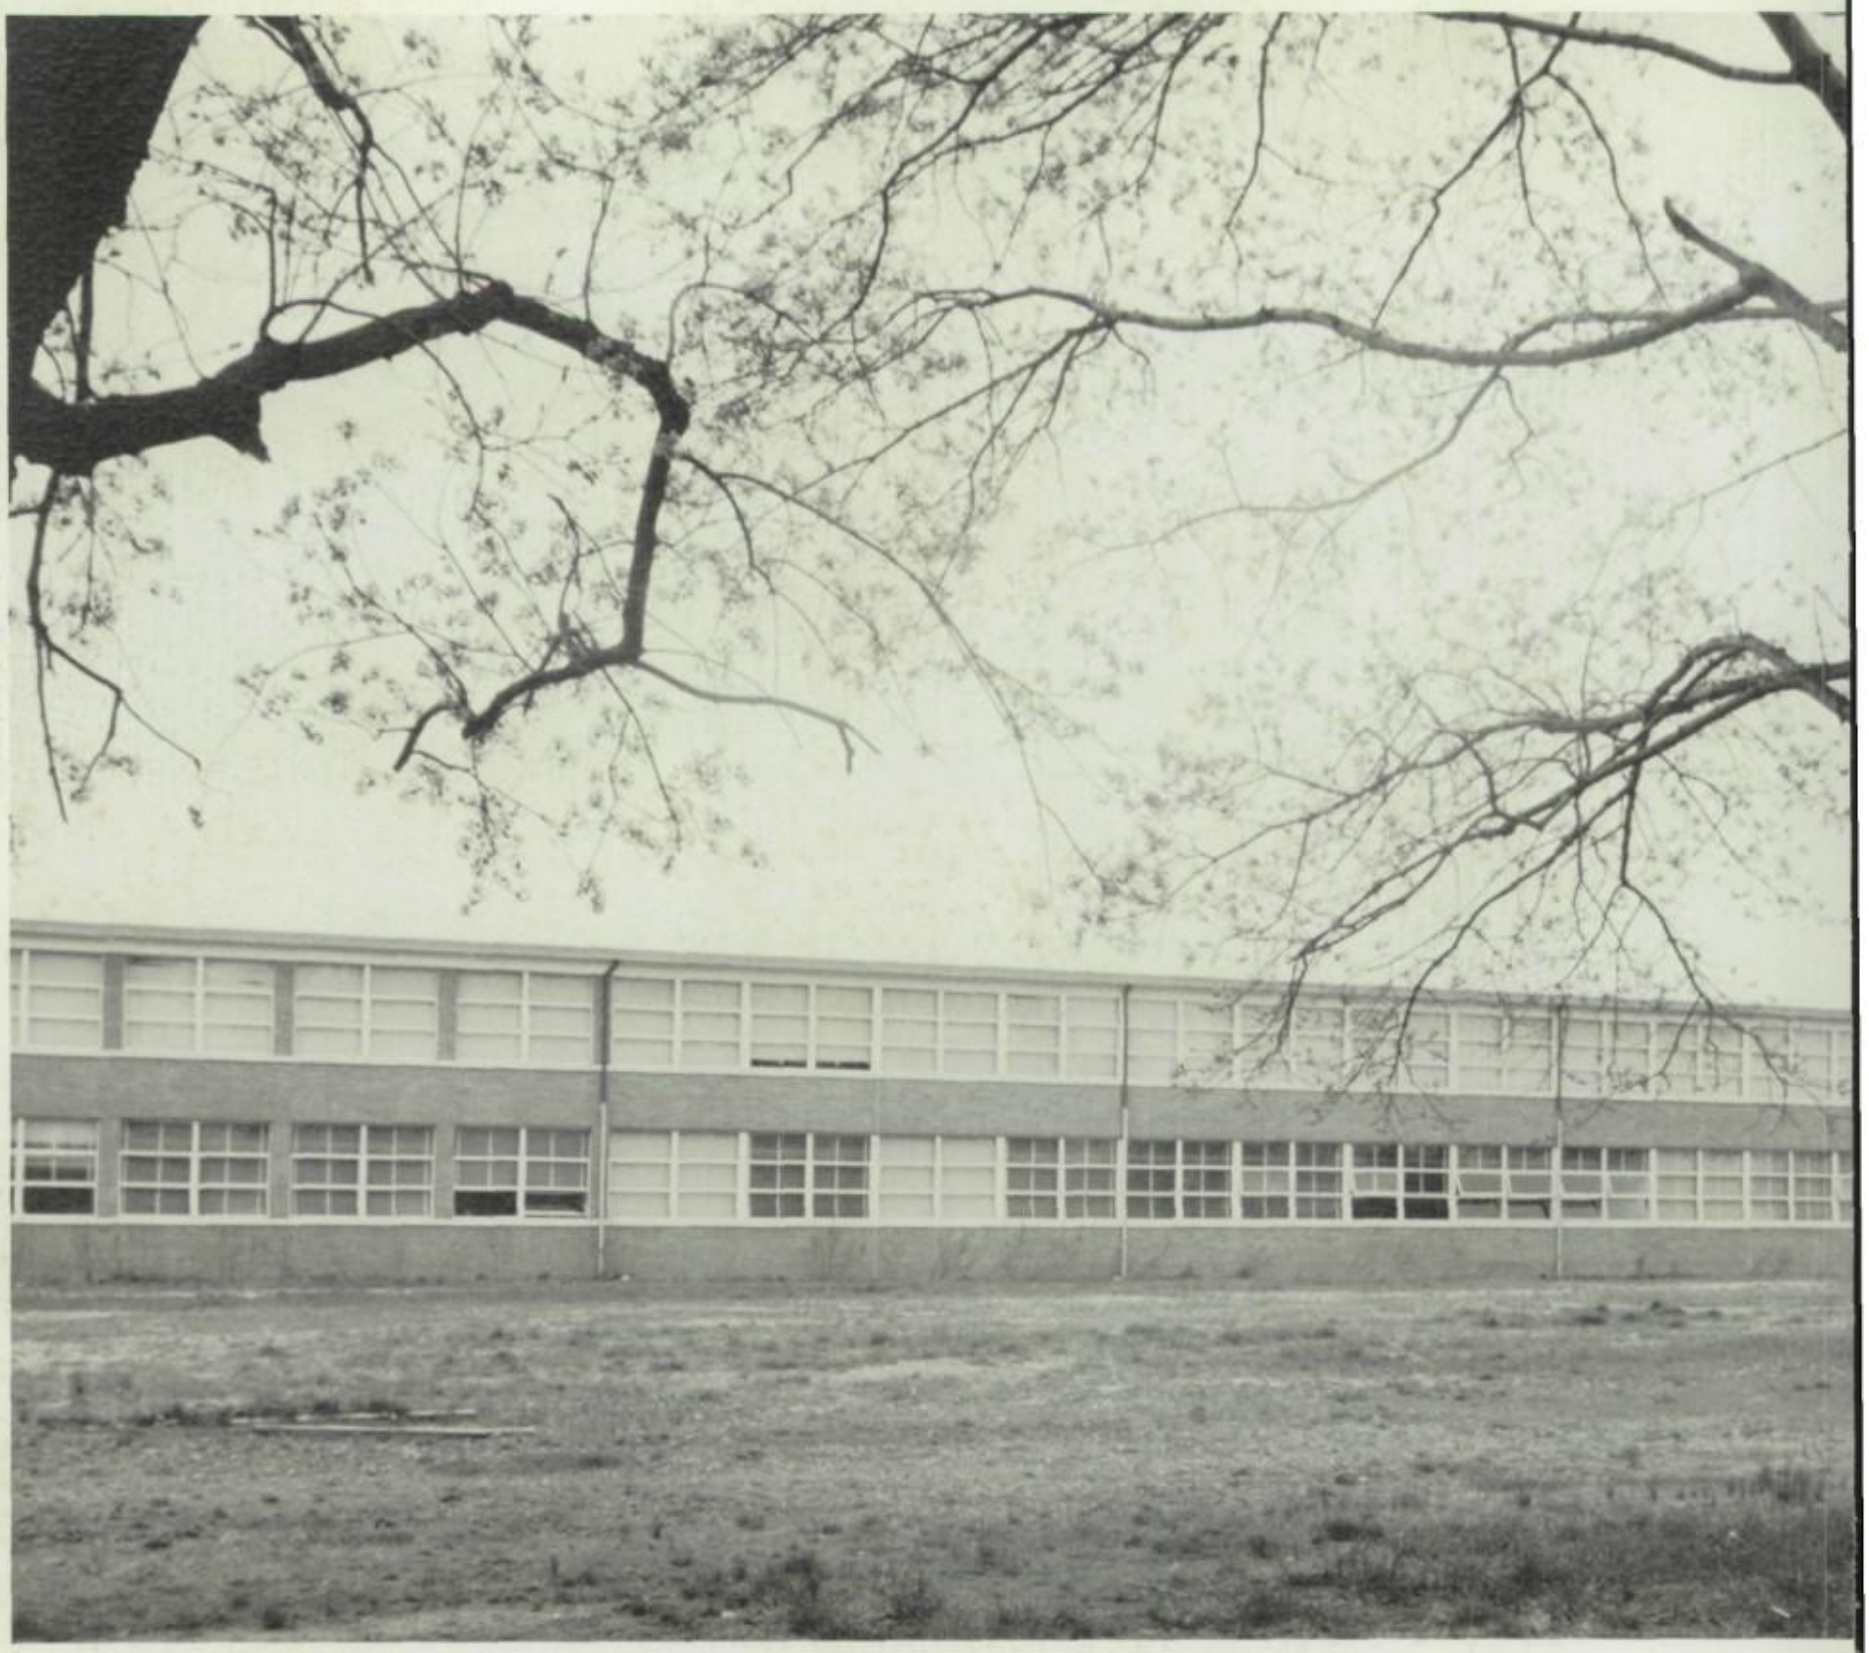
The Senior Class
presents the

1973
CORRISTIN

SAINT ANTHONY HIGH SCHOOL

Trenton, New Jersey 08610





Corristin 1973 presents the many varied stitches woven into the tapestry of our school days. This year is even more special than previous ones because we not only have embroidered our own memories, but also have interwoven many new experiences, and most importantly many new friends. Just as each and every stitch was essential to make the picture complete, so every event and person was essential to make 1973 one of the most unforgettable. Now without further delay, we invite the reader to peruse this "wondrous woven magic."

"These years have been a tapestry,
Of rich and royal hue;
An everlasting vision of the things we used to do.
A wondrous woven magic,
In bits of brown and gold.
A tapestry to feel and see,
Impossible to hold."

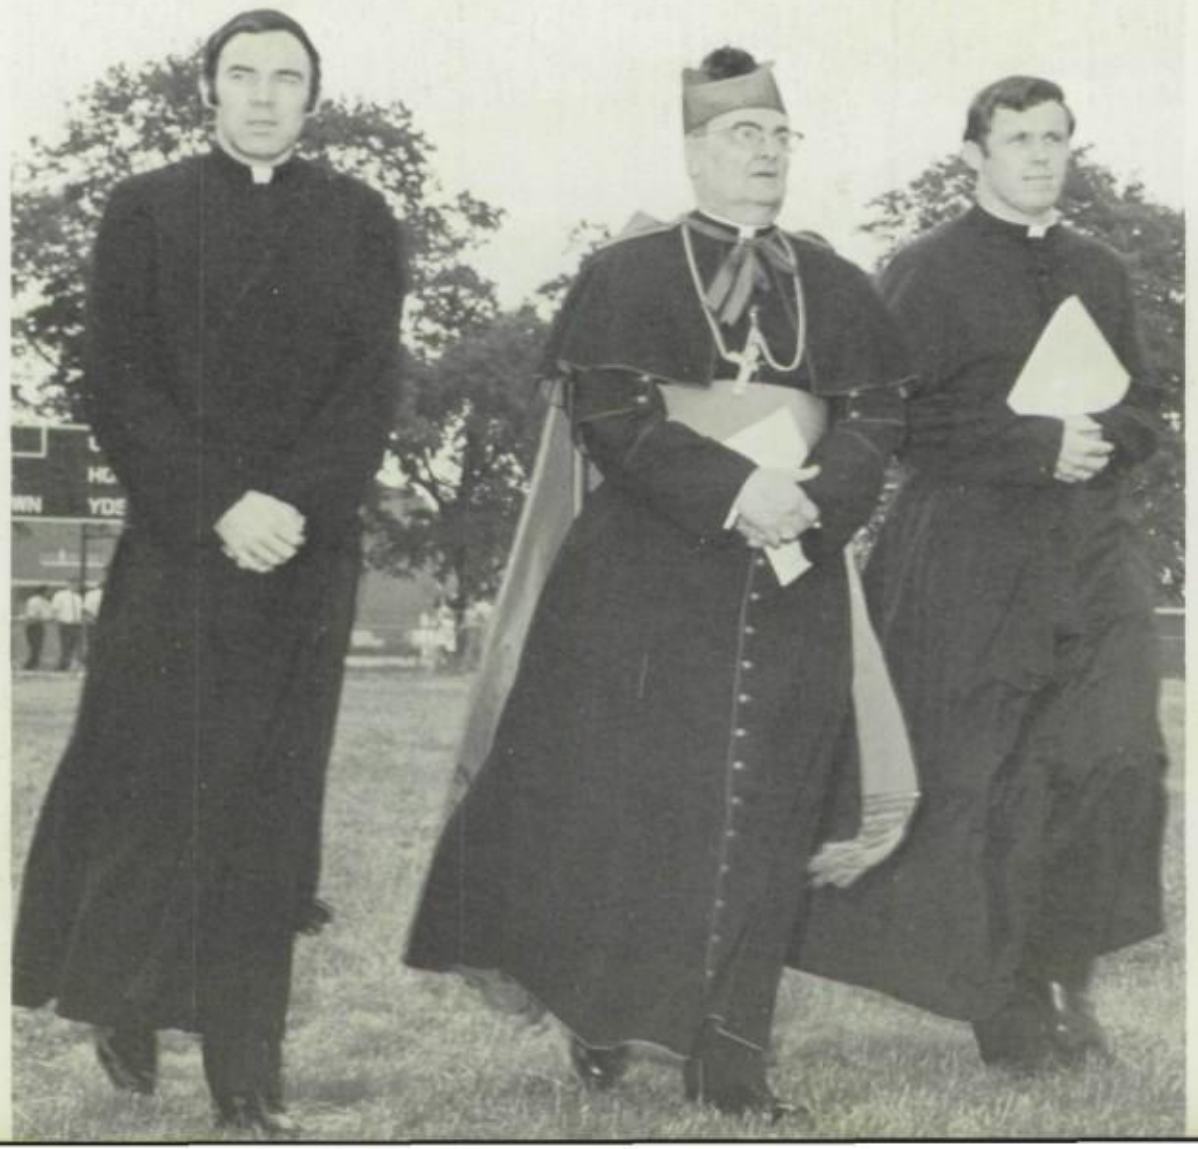
COMPETENT AND DEDICATED ADMINISTRATORS

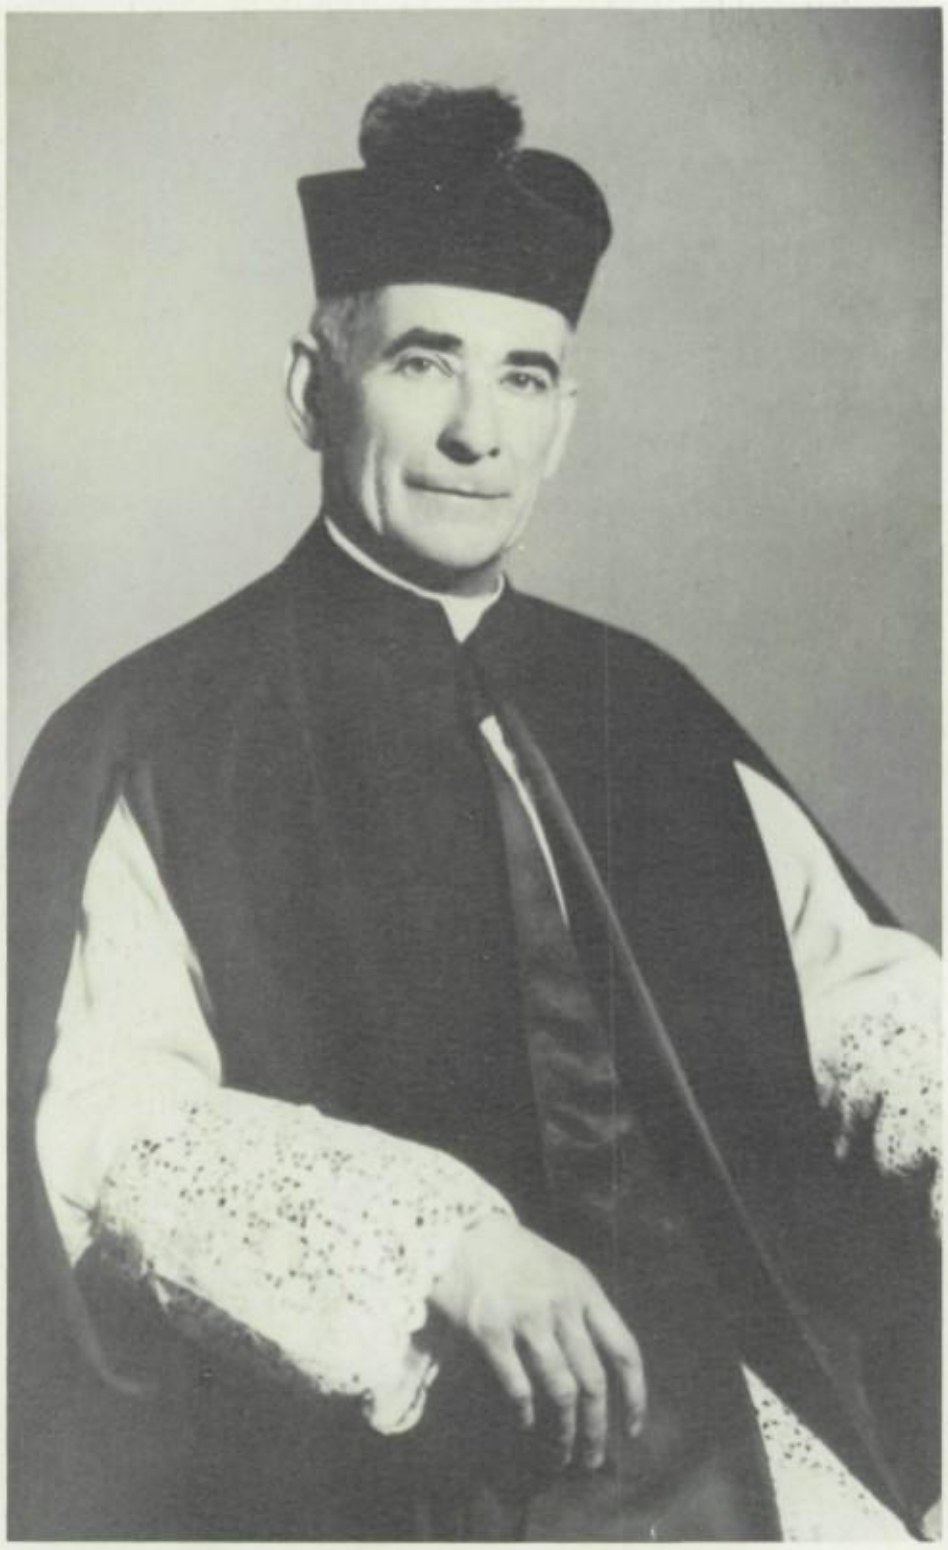
The Very Reverend
THOMAS J. FRAIN, Ph.D.
Diocesan Superintendent of Schools

His Excellency, The Most Reverend
GEORGE W. AHR, S.T.D.
Bishop of Trenton



In a few minutes, Father Fitzpatrick, Bishop Ahr and Father Bohnsack would be standing before the graduating class of 1972. They seem to be contemplating their words of congratulations and advice as they walk towards the scene of commencement. A similar scene will most likely grace our own commencement, June 4, 1973.

MEET CHALLENGES OF EDUCATIONAL NEEDS



The Most Reverend
MICHAEL P. McCORRISTIN, V.G., P.A.
Founder and Director of Saint Anthony High School

Upon completion in September, 1962, Saint Anthony High School opened its doors to fulfill the educational needs of area students. Under the guidance of Monsignor McCorristin and of competent administration and devoted faculty, Saint Anthony received high recognition among schools.

Because of Monsignor's foresight, Saint Anthony High was again prepared, this time to receive the influx of Cathedral High School students when the city school permanently closed its doors in June, 1972. Last spring Monsignor worked diligently to complete the second floor new wing in order to accommodate the more than 400 incoming students for the fall term. New as well as former faculty and students collaborated to make the spirit one and to maintain the motto of the Brown and Gold: "In holiness and learning."

To Monsignor McCorristin do we owe the deepest gratitude for the opportunity he has given us to continue a Catholic education. To Sister John Joseph, also, we are grateful for her support and guidance, her fairness to students and faculty surpassing all. And to the faculty — our priests, sisters, and lay teachers — we also owe our gratitude for their devotion and for their dedication to the betterment of our education. The example and the inspiration they have given us will be among the golden threads woven into the tapestry of our lives.

"Too many cooks spoil the broth", but not so with Saint Anthony's cafeteria staff: Mrs. Anna Petruska, Mrs. Mary Fernandez, Mrs. Elizabeth Wagner, Mrs. Theresa Wieger, Mrs. Elizabeth O'Neill, Mrs. Lois Puhalski, Mrs. Elvira Messina.

Mrs. Menichelli checks her work schedule for the day's chores.

Checking for the day's absentees, Mrs. Kosul seems pleased to find that, even with a peculiar happening such as snow in October, students refrain from staying home.

Numerous are the details involved in Mrs. Kramer's job as Studies Office secretary.

"I knew I'd find it sooner or later . . ." Mrs. Pilger, assistant librarian, keeps the library in good order in spite of the influx of new books.

"Every card has its place . . ." Mrs. Huddy carefully checks and files library cards, especially those for the many new books that arrived this year.

A job well done. Satisfied with his work, Mr. Morgan completes another repair job.

UNDERCLASSMEN

Seasons fade quickly into years,
bringing about time and change.
Individuals seek
and find knowledge,
a small fortune.
Desire produces effort
and hope becomes a reality.
A tapestry depicts
the struggles and achievements,
but not till completion
does it show what is gained.
Saint Anthony, a part of the tapestry,
is a source of mind enrichment
through the many courses it offers.
Hopefully it will produce
dependable individuals,
who will serve as a credit
to the Brown and Gold.

A SUMMER PLACE

Weave together the happiness and the pain, and Junior Day falls into our memory as a day never to be forgotten.

The highlights included the assembly of the juniors in the gym for the traditional Mass and the blessing of the rings. The sermon, delivered by Father Bohnsack, brought to mind the sentimental value of our rings. Father remarked that we earned our rings by studying diligently, by involving ourselves in extracurricular activities, and by growing individually and socially during our high school years.

". . . 49, 50, . . . 73 or was it 72 turns?" This was the question many juniors asked as they milled around after the distribution of rings. Reddened fingers affirmed the fact that we would graduate in 1973, and each student found 73 friends to turn his ring. The morning's activities were concluded, and the excited juniors went home to prepare for the evening's festivities — our Junior Dance.

By seven o'clock the cafeteria was miraculously transformed into a "Summer Place". The couples, at their best, danced the night away to the theme song, "Somewhere". The highlight of the evening came when the multi-colored gazebo became the setting for the coronation of Prince Mark and Princess Ellen. Soon the magical evening came to an end, and the couples left still dreaming of the place where peace, quiet, and open air prevail!

There's a Place For Us. The flowery gazebo portrays the image of "peace and quiet and open air."

APPLEBLOSSOMS TURN TO WIENERSCHNITZEL

"Look out! Here I come!" Marilyn Gripp marches to the tune of "American Salute".

Under the leadership of Mr. William J. Donlen, the marching units have come a long way. This diligent group now consists of 115 eager members. Through rain or shine these students have attended long, hot, summer practices in order to present an impressive half-time show at the regular football games. They have also participated in numerous competitions. The American Day Parade in New York City, the State Fair, the St. Patrick's Day Parade, and the Appleblossom Festival in Virginia were among the many invitations extended to the units.

However, this year, improvement, desire to succeed, and a new outlook changed the destiny of the marching units. It was originally intended that the group participate this summer in the Appleblossom Festival in Virginia. But this offer was rejected because of an invitation to the International Music Festival in Vienna, Austria, from July 5 through July 17. The units hope to raise the sum of $70,000 needed for the trip, and to work unceasingly to make this enterprise possible.

Captains of the various units include: Mike Alu, drum major; Maureen Callahan, drill team; Nancy Hurley, twirlers; and Joyce Kopec, color guard.

MUSIC FESTIVAL SPOTLIGHTS BROADWAY HITS

"Good things come in small packages", Kathie Caprario tries to explain to a skeptical Carmen Rettzo in a scene from *Fiddler on the Roof*.

The freshness of spring filled the air bringing with it the Third Annual Music Festival, May 3, 4, and 5, 1972. Under the direction of Mr. Pat Salerno, the program opened with the exuberant melody "El Conquistador", performed by the band, followed by the choral group's rendition of "If I Ruled the World". The band returned with "Concertino for the Band". Band and chorus then combined in the happy tune, "I'd Like to Teach the World to Sing", followed by other favorites, and concluded the first half of the performance with selections from *Carousel*.

The second half opened with highlights from *Music Man,* sung and dramatized by the choral group. This was followed by highlights from *Fiddler on the Roof*. The finale included the stage band's rendition of many current favorites.

The Drama Club and musical groups are presently practicing for the performance of the famous Broadway hit, *George M,* the story of George M. Cohan, a towering giant of the American musical stage. Leading roles will be portrayed by Edward Cimbala as George M. Cohan, Justina Agoes as Mrs. Nellie Cohan, Charles Broadbent as Mr. Jerry Cohan, and Rose Cooper as Josie Cohan. This presentation will take place the evenings of May 9, 10, and 11. Directing the production is Mr. Joseph Garrison. Unfortunately scenes from the show were not ready to be included in the 1973 yearbook publication.

EVERYBODY IS A STAR

The first week of November, 1972, lit up Saint Anthony's as bright as the heavens, as over 600 dazzling stars presented the eighth annual GAA show. Both the Brown Team captain, Maryann Michon, and the Gold Team captain, Philomena Corti, were backed up by an abundance of vitality, personality, and hard work. Each event displayed so much originality and imagination that the girls were able to hold an attentive audience with standing room only for all four nights.

This year's line up of best events began with a tribute to the Space Age, as 16 "Mechanical Men" emerged from the assembly line. Next, the audience experienced the thrill of a gangster movie, when the girls from the "Godfather" battled it out in their "cops and robbers" scene. The last of the three was a pack of 21 ferocious wolves creeping through the forest to the rhythm of "Virginia Wolff."

As the last night drew near and Philomena Corti accepted the coveted trophy for the Gold Team, each of the girls looked back on those hundreds of smiles and hundreds of tears, as among the most exciting events depicted in their tapestry of school activities.

It's always nice when nobody loses. **Here both captains receive their respective flag for the winning events.**

SCRIBES EXHIBIT TALENT THROUGH JOURNALISM

In addition to numerous other extracurricular activities, there are the three school publications, all of which offer students an opportunity to develop their writing abilities. Under the guidance of Sister Bernadette, the school newspaper staff publishes seven issues of the *Antonian* annually, reporting events of interest throughout the school. Classes, club activities, sports, editorial views, and student opinion are brought to the reader's attention through this important channel of communication.

The *Talisman,* SA's literary magazine, provides another outlet for student talent. The yearly publication is comprised of representative stories, poems, and essays from the creative writing classes. An editorial staff selects the best works, plans a layout, and decides the cover design for the magazine.

Not to go unrecognized is the yearbook, the *Corristin.* The task of fitting an entire year of scholastic and student activities into a given number of pages falls to the yearbook staff. Appropriate captions for pictures, summaries, and headlines to be written keep this staff constantly at work. The staff is responsible also for the entire layout of the book as well as for the choice and development of the theme. Each year the staff tries to make its "book of memories" the most memorable of all.

"Bonjour, Amérique, je suis l'expert de la senteur." These students act out a French version of a typical American T.V. commercial as their contribution to the Language Week Assembly.

Extracurricular activities are an important part of student life, and the numerous clubs and special interests groups provide an outlet for inquisitive minds. School expansion means growth of ideas, and this year four new clubs were formed to accommodate new interests.

Future leaders or employees of the business world can join a distributive education club known as DECA; camera buffs, the Photography Club; and concerned students, SCAP (Students Concerned about People).

The Zonta Club, also initiated this year, is an international service organization, with membership open only to girls and only by invitation. The name, Zonta, is derived from a Sioux Indian word meaning honest and trustworthy. These groups are in addition to the career clubs, journalism, speech, and musical activities traditional here.

Helping the students with problems, proposals, and activities are the members of the Student Council, led by President Glenn Stanton and moderated by Sister Thomas Marie. Initiated programs this year included the utilizing of Student Council to proctor classes and patrol halls, the widening of the range of activities such as monthly dances, and the rearranging of Council meetings on separate days so that officers of the respective classes might be given a better chance to be heard. The Council did its best to better student-faculty relationships. All these projects helped to promote increased school unity in the year '72-'73.

Acceptance into the National Honor Society is based on the qualities of character, service, leadership, and scholarship. Once accepted the student is expected to maintain these qualities. Moderated by Sister Miriam Grace, the society is engaged in several activities, among these a tutoring service and participation in various civic, parochial, and school projects.

WINTER WONDERLAND ENCHANTS PROM COUPLES;

The highlight of four years of anticipation, our senior prom, arrived amid a whirlwind of excitement and slipped away amidst precious memory-filled moments on the evening of February 23.

The dinner-dance was held at Cedar Garden Restaurant where, upon arrival, each couple was greeted by members of the faculty who served as chaperones. Shortly after eight o'clock everyone proceeded to the tables to enjoy a roast turkey dinner with all the trimmings.

A variety of dance music was provided by "Constitution." When the theme song "Precious and Few" filled the air, the dance floor was transformed into an ocean of starry-eyed dreamers.

Before we were aware of it the hours slipped away and midnight came upon us. Shortly afterwards we departed with more treasured threads in our tapestry of memories.

"Precious and Few" are the moments we two can share . . . There is always a silent moment amidst the gaiety to reflect upon the special meaning of the evening.

The formality of the evening is laid aside, as prom couples change their pace with the lively, musical group, "Construction."

With smiling faces, senior couples Linda Farley and Nick Ilku, Debbie Mastropolo and Paul Innocenzi arrive, anticipating a delightful and unforgetable evening.

As they proceed through the receiving line, Mike Petronella and his date, Donna Guadagno, are greeted with a warm welcome by Mr. and Mrs. Bruce White.

MOMENTS SHARED ARE "PRECIOUS AND FEW"

As the clock struck 12, a very precious moment occurred for the elect of the evening, Queen Maria Angioletti and King Frank Bilancio. The royal court included Sam Muro and Cindy Caola, Karen Tague and Joe Falzone.

These couples anxiously await the beginning of an especially festive evening as they enter the doors of Cedar Gardens.

DESPITE HIGH HOPES

Experience, team unity, and a winning spirit were the backbone of this year's Iron Mike gridders. Owing to the fact that eleven lettermen were returning to starting positions on the Mike machine, Coach Tony Nitti had high hopes for a winning season. This was not to be, however; and after heart-breaking losses at the hands of Steinert and Notre Dame, the Mikes finally rallied to a 4-5 tally at the end of the season.

Nevertheless, despite the disappointing outcome, several players attained success. Mark Stillitano, the premier runner in Mike history, shattered the school rushing record of 819 with an 850 total. The "Stallion," along with Joe Avanzato, Chris Kozicz, Joe Falzone, John Bublewicz and Jeff Gore received a berth on the All-County team. Several also received honorable mention for their efforts throughout the season.

The JV team managed to fare a little better. Defensively and offensively they excelled with an improved rapidness during the season. The proof of this is their notable 4-4 record. The log of the freshmen is just the opposite. Unfortunately determination wasn't enough. Freshman football suffered a disappointing season with a 1-7 record.

SEVERAL BOOTERS AWARDED HONORS

Although the Soccer Club finished this season with a dismal record, posting only three wins and two ties, they were never to be outclassed by any team in any match. This accounts for their five losses to county powers by a margin of only one goal.

Despite the losing season, the Brown and Gold managed to place high in the awards department. Senior Barry Pelletteri attained All-Mercer, All-Area, and All-State Parochial first team berths, while Tom Kane received honorable mention. Juniors Bill Gazonas and Denny Kinnevy placed on the All-Mercer County third team. Gazonas went on to receive a second team All-State Parochial berth, also.

All in all, it was a great satisfaction for Coach Paul Kaszyc, who saw four of his players receive recognition in the 1972 season.

COURTSTERS STRUGGLE THROUGH DISMAL SEASON

Victory's within our reach. Ed Nomejko gets the ball over the outstretched hand of the Egan defender.

The lack of overall team height did not diminish the determination and hustle of the '72-'73 varsity basketball team. Nevertheless, although this year's squad played well together and proved to be formidable opponents, they compiled a dismal record, with only one big win, that over Hamilton.

Looking through the scores, the observer will notice that the Mikes managed but three victories. There were, however, many bright spots in the otherwise dark season. The bright play of Seniors Mike Kasian, John Agos, Ed Nomejko, Don Piccolella and Junior Charlie Didun, all starters, was evident. Ready and dependable substitutes who were often called upon were Seniors Nick Massari, John Kite, Tom Burns, and Joe Chester.

Though the varsity's season was one to forget, that of the JV and frosh should be noted, for they are the hope of future Mike success. The JV team, though deep in talent and perseverance, could not attain a winning season either, while the frosh finished with the best record ever. Because of them, varsity basketball seems to have a bright future shaping up.

Senior John Agos evades the Egan defense and puts up a lay-up.

On your mark, get set . . ., Senior trackman Leon Lackey shows his winning form in leaving the starting blocks.

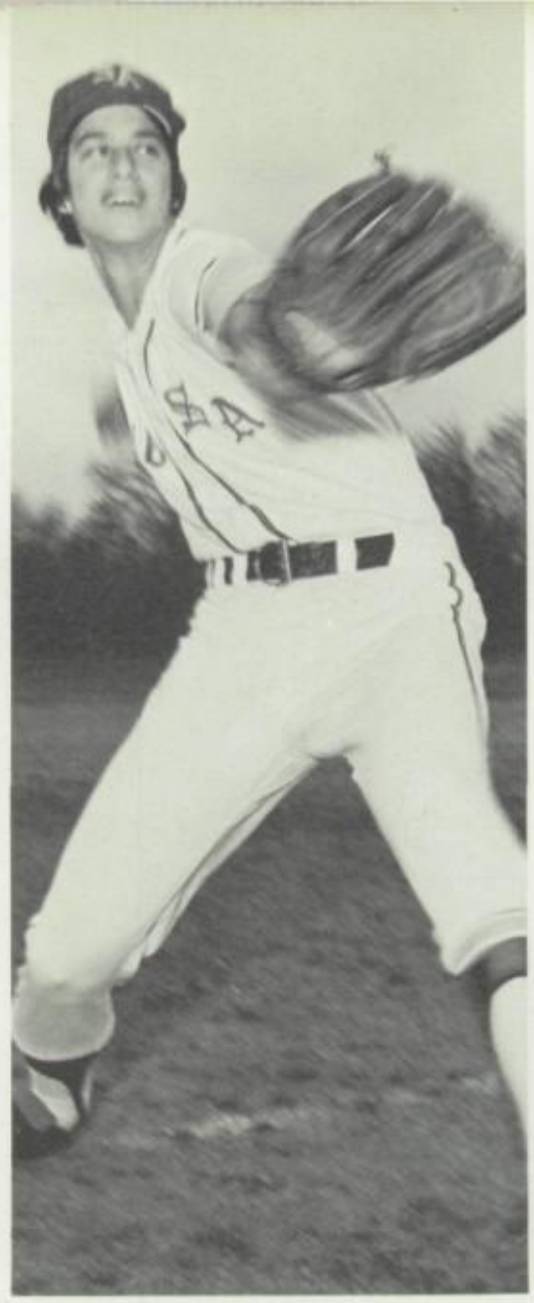
Under the leadership of Coach Jack Lally, the Mike harriers have prospects for a successful campaign. This year's Mike team consists of many capable members.

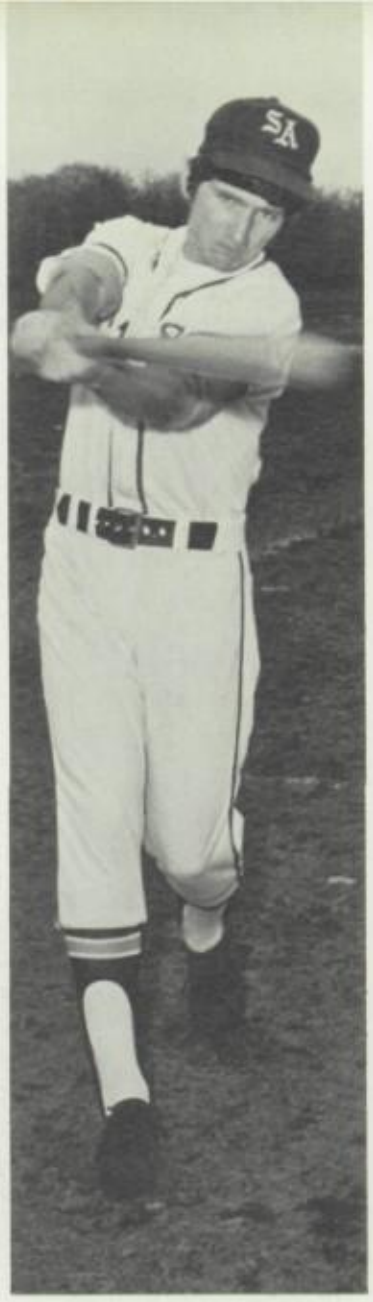
Leon Lackey, the best sprinter and long jumper in SA history, has been a parochial state champ for two years. He also holds four school records. Mike Dillon holds the school record in the half mile. Tom Mahon is best in the pole vault and is closing in on the school record held by his brother Jack '71. Mark Mirabelli is one of the top javelin throwers in the county and holds the school record, while Rich Latella and Dave Kolesar are pushing to break the mile and two mile records this year. Nick Ilku is the best hurdler on the team this year and Jeff Gore, representing the weight program, is the shot-put man. Newcomers who add depth to this year's track team are Paul Innocenzi, Mike Kozar, and Bob Prihoda.

RETAIN STATE TITLE

The warmer weather brings thoughts of a brighter, better season, leaving behind the thoughts of fall and winter sports. Baseball Coach Tony Potenza and his 1973 squad hope for a repeat performance of last year's unbelievable season. The Mikes, reigning Parochial State Champs, are ready to defend their prestigious title and are set to win the state title again.

There are five returning lettermen who provide the backbone for the team and with the addition of former Cathedral players, the Mikes seem set for another great year. The starting nine consists of Dom Piccolello (1st B), Nick Massari (2nd B), Billy Welsh (SS), Joe Falzone (3rd B), Mike Scully (RF), Barry Pelletteri (CF), Frank Bilancio (LF), and Jeff Plunkett (Catcher). The pitching staff consists of senior starters Nick Massari, Dom Picollelo, and Junior Al Paglione. Offensive power is supplied by Joe Falzone, Billy Welsh, and Barry Pelletteri.





Hard-hitting Barry Pellitteri and top hurler Chuck Paglione, combine their talents as the Mikes begin their quest for another state crown.

PLANS FOR TRACK TEAM AND FIELD HOCKEY

Iron Mike girls become involved in almost as many sports and activities as the boys. This year, their activities have expanded, drawing more girls and bringing in new events. The program includes varsity, JV, and freshman basketball and softball teams, and intramurals in volleyball. GAA carries three squads of cheerleaders including fourteen girls on each squad. The initiation of an interscholastic track team has been planned, and field hockey will be introduced this fall.

As the *Corristin* goes to press, the basketball team is in the process of building and hopefully will finish with a satisfying season.

The softball team begins practice in early April with games starting in May. Their competition includes such schools as Notre Dame, Steinert, Villa Victoria, Hightstown, and Hamilton.

SENIORS

Our tapestry began,
With one initial stitch
In September of '69.
Many a different thread
Was used, along with stitches
Unique and fine.
But sometimes the thread
Would knot, or a stitch
Just wouldn't weave in.
Sometimes we feared
Our tapestry was ruined.
But the thread would
Suddenly unknot,
And the stitches would lie
Flat and neat.
Then in September of '72
New friends joined us
In the weaving of our tapestry.
And together we blended
The colors of brown and blue
Into a background of gold.
Now our tapestry is
Almost finished,
And we weave with pride
The final stitches.

A picture has appeared
  On our tapestry,
A woven rendering of four years
  Of learning experiences
  And careful study,
Intertwined not only with
  Meaningful and happy memories
But also with sometimes
  Disheartening disappointments.
Slowly but surely,
We overcame the obstacles
  We encountered
To reach our ultimate goal.
Now the needles lie still;
  The thread has been put aside.
And we look back with gratitude
  To those who have helped us
  In the weaving,
As the looms of our minds
  Await the start of a new tapestry.

Looking forward, we recall
  The words of an American Indian chant
  And, applying them to our own lives,
We ask our Heavenly Father that we may
  "Weave for us a garment of brightness;
    May the warp be
      the white light of morning,
    May the weft be
      the red light of evening,
    May the fringes be
      the falling rain,
    May the border be
      the standing rainbow
    That we may weave
      a garment of brightness
    That we may walk fittingly
      where birds sing,
    That we may walk fittingly
      where grass is green."
